

AcmeCorp Code of Conduct & Expense Policy

1. Travel & Meal Expenses

- **Daily Meals:** Employees traveling for business are provided a meal allowance of up to \$75 per day. Receipts must be itemized.
- **Alcohol Policy:** Alcohol is strictly non-reimbursable for standard employee travel. The only exception is during authorized client dinners, where alcohol may be expensed up to \$25 per person, provided it has prior written approval from a Department Director.

2. IT Security and Device Usage

- **Public Wi-Fi:** Employees accessing company data on public Wi-Fi networks (e.g., airports, cafes) must connect via the AcmeCorp designated VPN.
- **Bring Your Own Device (BYOD):** Employees may not use personal laptops or tablets to download, store, or modify company source code or customer data under any circumstances. Personal mobile phones may be used to access company email only if the AcmeCorp Mobile Device Management (MDM) profile is installed.
